

Olympic Peninsula Zone

"Nickel An Hour"

formerly "Penny A Mile"

Hours are calculated from October 1st through September 30th

This division is comprised of a group of horsemen that find owning a horse a pleasure and spending time with them a relaxing hobby. Safety is stressed while handling your horse, both for humans and livestock.

Each year participants pay a fee and submit their number of hours spent with their horse, whether riding, driving, ground working, or just spending time with their horse. It is a friendly competition between horsemen. To the participant of the OPZ Nickel-An-Hour program, it's just fun to see how many hours they can spend with their horse in a year. Makes those feed bills not seem so bad!

Join Us Today. It's simple to do. Just send in the Nickel-An-Hour Sign-up Form along with \$10.00 to the Zone Chairperson as noted below. Then start tracking your hours and submit your time monthly at .05 cents per hour. All hours spent with your horse. At the end of the year, the monies collected will be used for awards which will be given to each participant that submits at least one hundred (100) hours.

Join us this year, tack the calendar to the barn wall and mark down you hours spent with your horse. Join us as we enjoy the hours that really count!

Send Form along with \$10 Sign Up Fee to:
